***Allowable Subject Matter***

Claims 1-21 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach nor does any combination thereof fairly suggest a patient transport system comprising a first coupling mechanism attached to an elongated member having an upper surface configured to support a person to a magnetic resonance imaging system and a second coupling mechanism attached to the elongated member configured to removably couple the elongated member to a second imaging system. The combination of elements as set forth in the claims is not shown by the prior art, and in particular the features as set forth above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
